A Request from Our Treasurer

PPSCC is a non-profit corporation which uses bulk mailing rates in an attempt to keep our expenses low. In order to conform to USPS requirements for bulk mailings, members should submit their addresses using correct "zip + 4." We use this data to create your address labels for the *Pastelink* and other mailings.

"Zip + 4" codes can be found on www.usps.com/zip4/ or at your local post office.

As PPSCC now has nearly 250 members, I would appreciate your taking the time to verify and use your "zip + 4" code on your Membership Form. It will help a lot with data entry!

Please make your check payable to: "Pastel Painters Society of Cape Cod"
