There is magic in the pastels at FPO!

A walk through the four exhibition rooms at the Cultural Center of Cape Cod instills a sense of wonder, richness, and the illusion of three dimensional life through the artistic application of pastel.

We are proud to sponsor this national show, now in its fifteenth year. Special thanks to our many members and fellow artists from across the country who competed to exhibit and to our jurors of selection, Frank Federico and Deborah Quinn-Munson, for scoring the entries which created this show, and to Frank for judging the awards and to Deb for presenting a juror's talk during the show.

Many thanks to our tireless PPSCC volunteers and the team at the Cultural Center of Cape Cod. Before long, we'll begin organizing FPO 2012, scheduled for June 24 — July 22.

The Pastel Painters Society of Cape Cod, Inc. is a non-profit 501C3 corporation. The volunteer Board of Directors works together with our membership to realize our mission: *to create a community of pastel artists, to set standards of excellence through education, and to encourage and nurture artists in their professional growth.* It's a journey that we take together. We welcome new members; visit www.pastelpainterssocietyofcapecod.com for more information.

We hope you enjoy this juried exhibition as much as we enjoy presenting it to you. All paintings are for sale, with 20 % of the proceeds benefitting the Cultural Center of Cape Cod and 20% benefitting PPSCC. The remaining 60% goes to the talented artist who created the work of art.

Enjoy the show!
